COMPANY DESCRIPTION

Eyesview Media is a full service video production house and creative agency providing the best in digital content nationwide for over a decade. Specializing in media content, illustration, web design and development, and turnkey video production services, Eyesview Media offers quality products at affordable rates.

Eyesview Media's pet project and sister company, [Art Attacks Online](#), is a web site and docu-style traveling web series. Using original content and exclusive coverage of in-depth resident/artist interviews, Art Attacks highlights the creative, contemporary cultures of cities around the world.

CLIENTS INCLUDE...
